

# Leadership PlayBook

The 8 Module Workshop for Team High Performance

## Designing High-Performance

The Leadership PlayBook Workshop is an opportunity for leaders at any level to define, or re-define their business unit "Game-Plan".

PlayBook allows participants to synthesize the language of strategic leadership while creating a foundation-based leadership tool in a format that drives clarity of expectations for teams, and tools that will transform any manager into the realm of high-performance leadership.

We guide participants through an effective process of personalizing and utilizing the following eight foundation-based leadership tools:

- ▶ Team Vision, Mission & Values
- ▶ Influence Map & Planning
- ▶ Work-Flow Analysis
- ▶ Expectations & KPR's
- ▶ Coaching Guide

Each PlayBook becomes a roadmap to well defined team success, and a blueprint for Succession Management for Hi-Potentials.

### Participants will:

- ✓ Align with the Organization's Strategic Plan
- ✓ Align, Refine & Define their Leadership Style
- ✓ Achieve significant professional goals
- ✓ Strengthen relationships with colleagues
- ✓ Get more confidence, competence & control
- ✓ Adopt skills to motivate and engage teams
- ✓ "Pay-it-forward" by developing others
