

# INFLUENTIAL SPEAKING™

The Program for Aspiring Speakers

## Speak to their Hearts

Ubiquity's model for Public Speaking is firmly rooted in the art of Story-Telling. Earn huge applause and be remembered.

## What We Cover

**Theme:** Your over-arching idea

**Structure:** Construct a winning Keynote with a proven system.

**Style:** It's not what you say, it's how you say it.

**Visuals:** Connect and inspire

**Perform:** Learn the secrets of Professional Keynote Speakers

## What You'll Learn:

**Plan:** Design a message to surprise & delight an audience.

**Prepare:** Use our proven system to get your message out.

**Promote:** Learn to Promote yourself and your talks to new audiences and sponsors.

**Present:** Be calm and clear minded on stage, performing with confidence.

***Influential Speaking** is a 1-day interactive workshop is designed to create Standing Ovations!*

## Rock Your Next Speaking Gig

It's been said that Public Speaking is the most common fear in the world. Overcome this anxiety! With our *Influential Speaking* methodology, you'll speak with passion and style.

*The foundation of effective influence is communication.*

We help Speakers become more prepared, focused, confident and engaging. Improve your ability to inspire others with clarity, calmness and enthusiasm. Whether you aim to speak at TEDx or deliver your next Quarterly Results, *Influential Speaking* is designed for all levels of speakers and events, and it is supported by extensive research.
