

Inspiring Presentations

Presentation Strategies for Leaders

Engage & Inspire!

This experiential 1-Day Workshop equips professionals to prepare, present and persuade with confidence and polish.

You'll Learn How To...

- Match presentation style to audience
- Create effective planning frameworks
- Craft a theme and stay on point
- Engage and command attention
- Effectively convey your point
- Connect through storytelling
- Motivate others to take action
- Navigate controversial topics
- Leverage software & hardware
- Overcome performance anxiety
- Handle questions & challenges

Practical Application

Blending best-practices and practical application, attendees learn and grow while creating a short, relevant presentation. As this workshop concludes, attendees deliver their presentations to experience these powerful new skills firsthand.

Amazing Results!

Every workshop is delivered by a professional executive coach so every attendee will benefit from expert facilitation and personal attention. Our success is your success, we're in it together!

Who Should Attend

Organizational Leaders at all levels will benefit.
